

National Camping Travelers, Inc.

East Penn #12

We will once again be starting our camping season off at Camp Swatara in Bethel, PA on April 26 to April 28. For Friday evening, you are on your own. Saturday dinner, we will be preparing a homemade turkey dinner. We are asking everyone to please bring a side dish. This campground has water, 30 amp electric and sewer hookups. Since we pay for any campsites we reserve, it is very important to make a reservation with Andy by April 10. Also, please indicate your day of arrival. Andy will then contact you via e-mail with your site number. Remember, there are new camp managers and they are requesting a list with names and site numbers before we arrive. Also, please check in at the office before you go to your site. We have a beautiful building with a fireplace so we don't have to worry about the weather.

Our 2019 Camping Schedule is attached.
