

CT State Rally - June 12, 2016

On a beautiful sunny afternoon in late Spring the CT Travelers held a State Rally at the lovely lakeside North Stonington home of Sue & Ray Geer. Our hosts have a wonderful pavilion which is ideal for events such as this – whether there’s sun or rain!

30 people attended this rally and dined on either tender grilled steaks or perfectly barbequed chicken along with the usual picnic fare. For dessert we enjoyed making our own sundaes on this wonderful Sunday!

After everyone was sufficiently full and everything was put back in its place MOT Ray Geer convened our meeting. Secretary Pat read the minutes of the previous CT State Rally. A discussion followed.

Once the meeting was adjourned, the women who will be attending the 51st NCT North American Rally in July brainstormed to come up with an idea about what to wear in the Friends Across the Border-themed parade to be held at that event. We reached a decision and everyone will see us in the parade all decked out!

We had fun socializing with everyone at this rally and we all reluctantly departed around 4 o’clock!
