**OCTOBER CAMPOUT**

The October Campout will be held at the Darke County Fairgrounds 800 Sweitzer St., Greenville, OH, on October 12 – 14. Expect to carve a pumpkin, sit around the campfire, and enjoy some laid back conversation with friends. Plans for meals are as follow. Friday. Judy Kauffman is making her homemade chicken and noodles. Bring something to go along with it. We will eat at 5:00. The business meeting will follow dinner. Saturday. We will eat out at 5:00. Location to be determined, most likely JT's. We will have a campfire going on Thursday so bring your hot dogs and we'll enjoy the fire. We'll try to keep the coffee pot going and maybe some morning treats to munch together.

**SEPTEMBER CAMPOUT**

Three words to describe our campout at Tomorrow's Stars---RAIN RAIN RAIN. It was wet but that didn't keep us from having our Friday carry-in and Saturday breakfast in the big shelterhouse. We dined at Linardo's Villa on Saturday night. Bob and I enjoyed our time with the West Central Chapter.

**CATCHING UP**

Just wanted everyone to know that I sent memorials for members, Pan Worley, (passed June 3) and Bill Brauer (passed Aug.18) Pan's family requested donations go to the Humane Society of

Dayton. Bill's memorial went to St. Paul's Lutheran Church, Botkins. These two will be sorely missed at our campouts. Chapter #1 extends sincere sympathy to Russ and Carol. Also life member Sarah Roberts has been suffering from health issues and I know she has been hospitalized recently. Her address is 411 W. Lexington Rd. #14, Eaton, OH 45320.

Bob and I spent last weekend at Caesar's Creek State Park with the Kookin Kampers #194. Had a good time—they sure do get better weather!

Thank you to the Chapter #1 members who responded to my letter--still waiting to hear from some of you.

This will probably be my last newsletter for the season. I will send brief e-mail updates as needed.

Hope to see all of you at Robs on November 11.

**Happy Camping!**
