

West Virginia Pioneer Travelers # 200

Newsletter for August 2017

Our August campout was in Ohio Amish country. We stayed at Scenic Hills RV Park in Millersburg, Ohio.

Members attending were Aylestock, Bragg, Gregory, Groves, McCollum, Mearns, and Cvechko. Guests present Shane, Jo, and Chessly Vassar.

We went our separate ways to explore the country side and usually met up at one of the attractions. Kay Mearns and family went to an Amish farm house for a tour. Most of us managed to visit Smucker's, Lehman's Hardware Store, P. Grahman Dunn's, Guggisberg Cheese Factory, two Amish Country Wineries, the World's Largest Cuckoo Clock in Sugarcreek and the Flea market. The food in this area is wonderful.
