

Connecticut One - Chapter 6: Annual "Turkey Roast"

(L-R) PGM Bro. Bill Greene, PGM Bro. Gary Arseneau, PGM Bro. Ted Nelson & MOT Vinny Kalinauskas

CT MOT Vinny Kalinauskas presents a donation of \$250.00 to Masonicare's "Quality of Life" Fund which is used to provide Masonicare Residents with items not covered by insurance reimbursements. The donation is accepted by three of Connecticut's Past Grand Masters two of which are members of NCT. We're still working on Bro. Ted!

The Connecticut Chapter of NCT has held its annual October "Turkey Roast" at Mineral Springs Family Campground in Stafford Springs, CT for over 35 years straight. Wagon Master Dennis Morgan and his wife Madolyn did a great job organizing the event. The past three years, this NCT signature event has been strongly supported by the CT's Grand Chapter – Order of Eastern Star. There were (14) RVs and several "Drive-ins" at this year's event. Working as one Masonic Family, over 100 turkey dinners were served followed by a Halloween Parade and Bean Bag Baseball. If I were to tell you who won the Bean Bag Baseball, The Women would be upset!

Oh, by the way, three families from CT's OES joined NCT this weekend. How good is that!
