

Penn West Chapter #23

Greetings Campers,

At our last camp out at Sharps in Shelocta we tried a new restaurant on Friday evening, The Black Bull. It was a good one way out in the country. Sat. morning we had a pancake & sausage breakfast including buckwheat pancakes. After that the ladies were painting black cats led by our crafty lady, Mary Sue Steele. For lunch we ate hot dogs cooked over the fire & corn on the cob. That afternoon we played card BINGO. We went to a delicious church roast beef dinner for our evening meal. After that some of the group made homemade ice cream which hardened while we had our meeting. We really enjoyed the ice cream after that. We had 8 units plus 3 drive-ins there.

Our last camp out for this season will be at Deer Hunters in Harrisville, Oct. 12 - 14. Friday evening we will go to an Amish chicken dinner. Sat. morning will be pancakes & sausage again. Sat. evening everyone is to take a quart of chili to dump into the roaster for all to enjoy. Tracey will make toasted cheese sandwiches to go with the chili. If you would like to take a dessert that would add to the meal.

We will continue to have our winter lunches at the Villa in Kittanning at noon the 2nd Sat. of each month. Please let Tracey know if you plan to go so she can let the restaurant know how many will be there.
