We had a great weekend! The weather held out with no rain, just a little chilly. We all walked over to the Blue Anchor diner Friday night for a nice dinner and fellowship. We were able to enjoy a great campfire and pick out different stars. Saturday found some of us off to different events and the rest of us played games went for a walk and visited with each other to catch up on our lives. We all got back together to enjoy our cocktail hour. Our covered dish dinner was supplied with awesome dishes from each of us. No one went away hungry! Saturday night brought another great evening that allowed us to sit around the campfire and enjoy our friendships. Bill and Icy provided us with a very nice church service. Beverly produced the music that helped us sing our hymns. Before we all had to leave, we gathered together to have hot fudge sundaes.
