Missing National Chapter Banner Record Book

You may recall seeing our National Chapter Banner displayed at our National Rallies, in pictures, or some other event where the National Banner Trustee is present. This Banner displays the logos of all of the Chapters, with a black stripe across those that have closed and is of substantial size, approximately 8 feet wide and 6 feet high.

There was a book that traveled with the Banner that had the record of when Chapters were added and when they closed, as well as notes on where the Banner has traveled and been displayed over the years. Sometime after the 2016 Rally in Frankfort, New York, the Book and the Banner have become separated. The Banner continues to travel from Rally to Rally, but the Book is now among the missing.

I am asking NCT Members and Chapters to please check their camper storage compartments, drawers, and boxes to see if the Book can be located. The Book is approximately 8" X 10", well worn, and is a traveling history of our Club that I hope can be found and reunited with the Banner on its travels for many years to come.

If found please contact me or our National Secretary, David Fant. I am honored to carry this Banner, and hopefully the Book, for the 2021 NCT year.

2021 National Banner Trustee

2021 NATIONAL OFFICERS !!!

Our National President— Art Spencer

This has been a trying year for everyone in NCT. The COVID-19 virus has been a challenge to us all. Janeen and I hope and pray that each one of you are safe and will continue to be safe. Hopefully once this virus goes away, we can get back to normal way of life, which is to go camping. 12 July was a big day. Thank you to all the members that participated on zoom meeting. This was a historic moment in NCT installing of officers through zoom media. Thank You, Great Job.

Eugene and Karen Boesch, I want to congratulate you guys and even though your year was the Covid-19 virus, you made some changes to the by-laws. Your year was the year of the Zoom meetings that were highly successful. Overall, you kept NCT going in the right direction. Thank You

Congratulations to all the officers and membership that participated in this historic event using zoom media. I am excited about the appointed and elected officers this year. A great team of leaders we have. Hopefully we can do some good things for NCT. I plan on having a zoom meeting in August 2020. This will be a meeting of information gathering, brain storming, a Think Tank. Out of this meeting we will look at the concerns of the leadership but most importantly getting chapters concerns to us. We will assign committees to address these concerns.

I WANT TO HEAR FROM OUR CHAPTERS, DISTRICT, STATE AND PROVINCIAL DIRECTORS IT IS IMPORTANT YOU CONTACT AND GIVE A REPORT ON YOUR AREA TO, DOUG BUCKLE IN THE EAST AND CONTACT BOBBY WOODS IN THE WEST. THE ASSISTANT DIRECTORS RESPONSIBILITY IS TO CONTACT NATIONAL DIRECTOR LARRY AYLESTOCK.

Chapter officers, no matter how small or how big your chapter, is please taking a moment and send in an article with pictures to national on what you have been doing. Does not matter how large or small. I have found that reading chapter articles are a delight and informative. A group showing activity will help NCT will grow. Thank You Dave Fant, National Secretary and Larry Aylestock, National Director, you are the inspiration for me to share this with the membership.

This is a good starting point to give reports so we as the board members and membership can act on helping each other.

Our goal is to get back to basics and go camping, sitting by a campfire eating S'mores and sharing stories. Everyone please take a moment to share the idea of NCT with Friends, Family, Masons, Eastern Star, Scottish Write and the Shriners. Membership is on our shoulders we can do this. "Let's have fun CAMPING."

NATIONAL 1st VICE-PRESIDENT—David Brigham

Another year, another adventure, I say! Greetings from your 1st National VP. I look forward to this coming year in NCT. My job is to review the By-laws and make suggested changes, review any proposed changes and ensure that the By-laws are applicable to the mission of NCT.

Our summer has been hot and humid here in Florida. The many changes that have happened in our country and the world have also affected our NCT. With the states closing down for most of the year, and Grand Lodges not allowing any form of meetings, it has really hampered our club. As most of the Grand Lodges are now allowing meetings things are changing and camping will or has allowed the clubs to get together and camp as groups again. Remember that as NCTers we are to follow the directions of our Grand Lodges in the state we live in.

Mary and I have been camping once and that was to park the camper on a site in the Park and stay for a few days. Hopefully everyone has been able to camp more than that. We have heard from several NCTers who were checking on the virus here in Florida. We are under a mandatory mask in public places order, but we have not had anyone with a virus in the Park.

Stay well and get out with your chapter and camp.

Looking forward to seeing everyone at the National Rally next July in New York. Maybe Art Spencer will order some cool weather for us up there.

Mary and David Brigham

NATIONAL 2nd VICE-PRESIDENT—Les Hall

First and foremost, I would like to express my sincere appreciation for your electing me as your National 2nd Vice-President.

It has been a hard year for all of us. With the spread of COVID19 and all the other things that have been happening in 2020, it makes us pause and reflect on the many blessings God has chosen to bestow upon us and things we have to be thankful for.

Joy and I are traveling right now. We are enjoying the weather and the scenery of the Great Smoky Mountains in the Cherokee, NC area. In our travels, we are scoping out possible locations and venues for our 2023 National Rally. We have visited a couple of areas but are finding adequate venues to be hard to locate. So far, we have not found anything that says, "This is the place". If you have any ideas, we are open to suggestions.

On September 14th – 17th a group of us from Florida, Georgia, and Alabama will be "crashing the party" at the Middle Tennessee Travelers' campout in Chattanooga, TN. We are all looking forward to a lot of Fun and Fellowship and seeing a lot of old friends we haven't seen in a while.

We hope this issue of News to Campers finds you healthy and doing well and hopefully 2021 will be a better year for all of us.

Les & Joy Hall, 2nd Vice President.

NATIONAL 3rd VICE-PRESIDENT—Brian Pickett

Greetings NCT Campers,

I am Brian Pickett, and Lady Michele. I am honored to be your Third Vice President. I especially appreciate all of your support and thank you for your votes.

Michele and I have been enjoying camping since 2012, when we purchased our first travel trailer. The first thing we did after we drove our rig off the lot was to become members of our local chapter, the Eastern Square Wheelers Chapter 11 in NJ. Joining NCT is the best decision we ever made. Right from the start our club embraced us. We are grateful for all of the knowledge and wisdom we gained from the extensive experience of the club's members and NCT which has been invaluable to us.

Both Lady Michele and I have been very fortunate enough to begin our recent early retirement this summer. We are enjoying being seasonal campers in the shore town of Cape May, NJ. Additionally, we have purchased a Motor home that we hope to travel across US and experience this great nation.

We especially look forward to seeing and meeting new friends from the NCT, at both national and state rallies. However, our first goal is to get our feet wet by "crashing" some East Coast Chapters camp-outs.

As your new Third Vice President it is my goal is to promote changes that will encourage and increase new membership in order to sustain and grow this great organization!

Yours in camping,
Brian and Michele

NATIONAL SECRETARY/TREASURER - David Fant

It seems as though this has been a year when all we see is Covid –this and covid-that. There is no doubt that this has been the controlling item in our lives for the past 5 or 6 months. Hopefully when the Holiday issue come out in December we will have other things that take first place in the news and our lives.

You will see a couple of pages missing that you normally see in the September issue. The listing of all Chapter Officers which normally are in this issue will be in the December issue. Due to the chapters having to back down on activities, many have not yet submitted their new slate of officers. To date I have received less than half of the listings so rather than submitting a partial listing, I decided to hold it off until December. Also with all the time associated with new plans for our virtual Annual meetings and the many issues that accompany a new method of conducting meetings, the Financial report for FY 2020 was late in being prepared for the auditors. That report will also appear in the December issue.

The new Web site is well under way. We are learning many of the ins and outs of it. I have added another helper who has experience with this program which has been a help to handle all the little nuances. I note that still some of the addresses in the Directory still have some errors. Please bear with us, if you notice an error with your information, drop me an EM at the Web address (go2nct@gmail.com) which will alert me of a change.

NATIONAL SECRETARY/TREASURER - (continued)

We are also working with our E-Blast system which is taking a little longer to get set up. Last month an Email was sent to all regarding the sign in process. A total of 590 Emails were sent out, 90 were returned as bad or rejected addresses. This was due to either an incorrect address (in spite of most of the Secretaries verifying the addresses on file) or due to some Email providers rejecting Eblasts. If you did not receive the Eblast, please let me know as this is how we plan on Emailing the News to Campers to those who have not ordered a printed copy. Thanks to all who have agreed to receive the News to Campers electronically, It will be a great help when all is up and working. Because of the problems in the system, everyone will be receiving a hard copy as well as an electronic copy. I would appreciate your thoughts on how the system is working for you. With the delays already being experienced by the Post Office, I expect that your Electronic copy will be in your hands a couple of weeks before the hard copy. Both will go out at the same time.

We are all in the middle of an election. This election is posted as being the most important one ever. I am not saying how anyone should vote, but please VOTE and do it as early as you can. If your state has, and you choose to vote by mail, Don't Wait Til The LAST Minute! If you have early voting, Vote Early.

Even with all the things going on, Pam and I took two weeks of vacation (and will take a third one next week—end of August) going Camping. This summer has been a scorcher for us with many 90+ multiple days. For those of us in the North who are too tight to buy ac's, that was tough! But the time away from home, sitting around campfires (in the HEAT !) was a peaceful time to relax. I urge all of you to hang up the chores and get away, to enjoy the Creator's gift given to us. Practice safe distance and use the masks.

Be Safe, Give thanks for all that we have,
Until next time, God Bless

Dave and Pam

We missed our first two campouts of the season because of COVID-19, but since our governor has opened the state for recreation, we were able to go to 5 River Campground in June. On Wednesday, June 10 our group headed to Parsons. Two more campers came for the weekend. Camping were the Aylestock's, Cvechko's, Gregory's, Mearns', Vassars' and friends Mike and Leann Groah.

The campground was full, but we practiced Social Distancing and prepared our own individual family meals. No covered dish but we did grill hotdogs over the open fire. McDonalds was the place to go for take-out and Iced Caramel Mocha was the favorite drink of the weekend.

It was a beautiful sunny weekend with cool nights, only had rain one time. We spent a lot of time swapping tales around the campfire.

West Virginia Pioneer Travelers # 200 (continued)

July's campout was at Holly Gray Park. Other than us, there only two other campers in the park. We parked along the tree-line where we had some shade and it was somewhat cooler.

The park had suffered a big storm earlier in the week and several trees were uprooted. The new manager was trying to remove a tree stump with a farm tractor on one of the sites we had reserved. The stump is still there, and a muddy mess was left. *Watching him attempt to remove the stump was our entertainment for the weekend.* Our last camper to come had to park along the horse fence.

Connie & Larry Gregory had their new puppy (Sophie), we all enjoyed watching her getting broken into camping. We had a total of eight dogs and one cat with us. Guess this shows our love of animals. We will be camping back at 5 River Campground in August.

Happy Camping

Mass One, Chapter 9, Camping with COVID

It's hot. We want to be outside. We miss our friends. We miss getting away to a campground. We are sick of masks. Social distancing outside sounds great.

A few weeks ago, three rigs went out to Travelers Woods in western Mass. to camp under the trees. We were joined by three other NCT couples who are summer residents there, including our newest members, George and Theresa. Out came the chairs and the side tables. We moved with the shade, sometimes couple by the couple, sometimes individually but always at social distance so we didn't need masks. However, we had them ready when company dropped in.

Most of the time we ate side by side in our pairs of chairs. Food that was shared was served up by the preparer. No co-mingling of germs! We had several camp fires, were entertained by George and Theresa on Native American flutes and drums, told stories and jokes, toasted marshmallows, as well as discussed some serious stuff.

We had such a good time that we stayed a week. We were enjoying our friends and enjoying the outdoors! WE WERE CAMPING IN SPITE OF COVID-19! It was so much fun that we are going back next month.

Shawnee Kookin Kampers Chapter 194.

Here are a couple pictures of two of our members who built a ramp for a fellow Mason, who lost his leg due to health.

This is Dale Exline and Lloyd Eichenlaub, members of Shawnee Kookin Kampers Chapter 194.

New York Triple O's Travelers, Chapter 58

Hooray! New York NCT campers can go camping again. New York State Grand Master and the Deputy Grand Master investigated all the information that our MOT, Bob Bennett, gave them regarding our camping policies and what New York state had for safe practices. They decided as long as we followed the guidelines of the state, then we were okayed to camp.

Triple O's Travelers, Chapter 58, had our first campout on July 17 -20th at Mayfair Campground with 5 rigs. As happy as we were to be camping again, we were saddened to realize that Ron & Beverly White would not be camping with us again due to Ron's passing and Beverly's stroke. We also would not have Dick & Judy Tyler with us anymore due to their poor health. They all will be missed deeply.

Friday night we were able to go out to dinner together. The restaurant did a wonderful job with keeping everyone social distanced and wearing masks. There is nothing like good food and friends catching up on everyone's' lives to past a lovely evening with a nice campfire to end the night. We also had the pleasure of having a professional S'more maker with us. Annabelle (the Wolzmut's granddaughter) made everyone a S'more or two for our dessert. The weather was forecasted to be hot, but we had no idea how hot & humid to was going to get.

Saturday had some of us going in different directions due to prior commitments. Some of us went into town to see what was open, unfortunately, not much. We did find garage sales along the way back to camp. The yard games were set up to play but we finally gave up due to the heat. Our potluck dinner was later than normal because we were too hot to eat. Sunday morning bought coffee and donuts before our church service that was led by Dorothy Alexander. Before we knew it, we were all packed up and heading home until next month at Cider House Campground on Aug. 14-16th.

Shawnee Kookin Kampers Chapter 194.

This month we were at Indian Lake State Park. Those camping: Buckles, Exlines, Eichenlaubs, Wentz, Edwards, Fouches, Giffords, Malones, and associates, Watsons. We had a few rain showers, but it didn't stop us from enjoying a campfire every day. If you see Richard Wentz, ask him about the "sad" story of burying his cat !! It will bring a tear to your eye. LOL

We had our meeting Friday, opened by Pat G., prayer by Lisa B., and pledge said by all. Denny E. made a motion to dispense with the secretary's report, seconded by Dave F. The treasurer's report was given, motion to accept by Dave F., seconded by Richard W. For those that may know her, we had a report that Rachael Coleman broke her hip. There was no old business, and the only new business was to start thinking of where you would like to camp next year. We will start compiling our list next month. Bring your suggestions to Caesar's Creek, or email them to Dale E. any time. Committee report: Denny E. made a donation to S O Domestic Violence Shelter. Our next meeting will be September 11-13 at Caesar's Creek. We will continue having the 6 ft. distance and meals on our own. Denny E. gave the closing prayer.

Additional information: Doug Buckle slipped on his truck, and hurt his side. On returning home Sunday, he went to urgent care, and found that he had 2 broken ribs ! Also, Lloyd Eichenlaub got sick while camping, Trisha had to drive their rig home. He is in Kings Daughter, in Ashland in ICU. He had sepsis, and had to have his foot amputated at the ankle. Please keep Lloyd and the family in your prayers. Lloyd has a phone in his room. 606-408-5421

Please pray for healing for Doug and Lloyd.

Debbie
