2021 NATIONAL OFFICERS !!!

National President: David Brigham

Fellow NCT'ers, it's the time of year again when we think about joy, family, and friends. We in the south think about cooler weather and those of you from the north think about going south to escape the cold and snow. I hope that you all are meeting or camping as chapters and enjoying each other's fellowship and friendship. Fellowship and friendship will help us grow closer as a family. It is Mary and My wish to all of you to find joy this season. And a prosperous New Year.

Merry Christmas

David and Mary Brigham National President

National 1st Vice President: Les Hall

Greetings from your 1st National Vice-President.

Wow! The past couple of months have been very hectic. On September 10th, my body decided that it would teach me a few lessons and change my lifestyle. It did this by having a heart attack.

When I was very young and growing up in the 1950's, if someone had a heart attack, they died. End of story. Thanks to the Grace of God and Advances in Medical Science, that is no longer the case.

I was taken to the hospital and given medications to stabilize my heart. The next morning, I had a heart catheter, cleared the 100% blockage, and had a stent inserted. I was back at home within about 48 hours and recuperating.

This event has changed my lifestyle by drastically limiting my food intake, and thus, a significant weight loss. It has also changed my outlook on life and the way I view the things in my life and the world around me. I am far more appreciative of each day of life and the opportunities I still have.

As Winter approaches, many are getting prepared to huddle down to endure the months of cold weather.

Bob Smoyer, District 4 Director, is working diligently to plan a District 4 Friendship Rally on March 31 — April 3, 2022. We look forward to seeing many of you at the rally and enjoying the Bluegrass and Gospel Music at Twin Oaks RV Park in Hoboken, GA.

Stay well and continue to get out with your chapter and camp whenever you can.

We hope this issue of News to Campers finds you healthy and doing well and hopefully 2022 will be a better year for all of us.

Les & Joy Hall, 1st Vice President.

Wow where has the summer went. It's time for the December news to campers already. Have you been nice so Santa can come for a visit? Just remember the reason for the season and don't get carried away with the gift idea.

The northern folks have put their campers to sleep for the winter. Of course most chapters will still have a monthly meeting at a good restaurant. Of course you can take the camping season away for a few months but not the friendship of the local chapter. Some of us have headed south for the winter and are now suffering the warm weather in Florida or Texas. Pat and I arrived at our winter place on 1 November. We are close to our oldest son and my 101 years young Dad's place.

I wish all of our NCT members and all others to have a Merry Christmas. Again remember that Jesus is the reason for the season.

Pat and Jim Jackson

National Secretary/Treasurer - Dave Fant

Thanks to all the Chapter Members and secretaries! Your response to my request for Christmas Cards and activities and the Abundance of Emails, letters and phone calls were overwhelming. I can't remember when I received this many. Thank you, Thank you, THANK YOU! Lets keep it on for the March issue. During January and February, I hope to get feedback as I continue with the monthly Blog. Look for it at the beginning of each month.

This is the Christmas issue and I hope it has many wishes to all of you for a Merry Christmas. I hope this year has been a Blessed one. Two years in a row have encouraged us all to stay at home and reflect on many of the blessings we have had at home.

A couple of requests to all of you: when you send a card, or an article for the newsletter, please do not send it as a pdf file. I cannot rearrange the article and can only paste it as I get it. Articles should be sent as Microsoft words, and photos should be sent as attachments. If they are sent as part of a pdf I can't enlarge them to make them as large or as clear as they should be. If you have questions, drop me a note. I will try to send additional instructions to the Chapter Secretaries and Reporters at the beginning of January The other request is to please send articles by the first of the previous month, i.e. March articles and information should be sent by February first. Information on upcoming Camping activities should be sent ASAP to be able to get them in the listing on time.

A Blessed Christmas to all.

Remember the Reason for the Season,
Pam, David and Alex too

God Bless you ALL !

National Chaplin: David Miller

Happy Holidays from the Office of your Chaplin NCT

Brothers and Sisters all, my name is David Miller and have been given the privilege of working as your Chaplin for the current office year of 2021-22, and Thank You, to President David and Mary Brigham for this honor. After missing the National Convention in July, thanks to Covid-19, our bout lasted about 2 weeks; but, the Convention was over. We were very sad not to be able to meet everyone.

With that absence in mind allow me to introduce myself again. I am David Miller and my wife of 46 years is Donna. We have 5 children 9 Grand and 10 great grand kids. We married in 1976, and was able with a lot of praying to mix 5 kids together.

I was made a Mason at Irvington Lodge #666 in 1977 and have been active in some way ever since. I got involved with my girls in Job's Daughters early on and became Associate Guardian of the Bethel. After a number of years I was elected Associate Grand Guardian of Indiana and served in 2013-2014. My total involvement was 1977 thru 2019.

I became a York Rite Mason in the mid 80's and joined Raper Drill Team. Our team is the only drill unit to win 7 consecutive National competitions, 15 years of work. I served as Master of my Lodge in 1995, and head of all three York Rite bodies. Chapter Council and Commandery, and was awarded the KYCH (Knight of York of Honor).

I am writing to you all this evening some 2 weeks before Thanksgiving and after some though it still must be a Christmas message here. It is the season of many many emotions. As we go thru the Holidays and travel this Great Country of ours we must be ever aware of our main purpose, Love the Lord and serve Him..

Please keep in mind these words from St Matthew 1-21 thru 25, And she shall bring forth a son, and he shall be called Jesus, for he shall save his people from their sins. 22> Now all this was done, that it might be fulfilled which was spoken of the Lord by the Prophets, saying. 23> Behold, a virgin shall bring forth a son, and they shall call his name Emmanuel, which being interpreted is, God with us. 24> Then Joseph being raised from sleep did as the Angel bidden him, and took unto himself his wife, 25> And knew her not until she had brought forth her first born son: and he called his name Jesus.

Merry Christmas to You All

Massachusetts One, Chapter 9

In September, the Mass State Rally was held at Travelers Woods Campground in Bernardston, MA. All who attended were very happy to camp, enjoyed the friendship shared and loved the fun of marshmallows, Hershey bars, and Graham Crackers around the fire with Mickie as head cook each night. Some of our activities were off site – like going for ice cream after lunch or having dinner as a group in downtown Greenfield. Oh, those donuts from Turners Falls were so yummy! Come join us by the campfire! You never know what's next.

CT1 Chapter 6, National Camping Travelers, Finishes the Camping Season with Dinner and Annual Donation

A small group of campers dined together at Mineral Springs Campground in Stafford, CT, the final official campout of the CT1, Chapter 6 season. Some members of Mass 1, Chapter 9 also joined in. This year the club prepared a pork roast for those who attended. Because of COVID, the decision was made to postpone the annual turkey dinner until next year.

After dinner the annual donation was given to Most Worshipful Past Grand Master William L. Greene, a long-time NCT member, and board member of The Masonic Charity Foundation at Masonicare. He would be taking the check to its destination in Wallingford, CT, for the Quality of Life Fund at Masonicare. The Quality of Life Fund is used to help make life better for the residents of any of Masonicare's facilities as well as patients of Masonicare Home Health and Hospice.

The camping club has one more big event this year and that is the toy collection for little ones who visit the emergency department at St. Mary's Hospital in Waterbury, CT. The toys are used by St. Mary's emergency staff to give to children, helping lessen what might be a scary visit to the hospital's pediatric trauma unit.

CT1, Chapter 6 and the Grand Chapter of Connecticut Order of the Eastern Star have been collecting new unwrapped toys for this year's annual donation to the hospital. In past years, District 1 and OES have been able to fill an ambulance to the brim with toys. It was a special year in 2018 when together, they filled TWO ambulances. to the brim. There is the hope to come close again this year.

Washington NCT #38 Campouts

Here we go again! NW Travelers #38 out of the Pacific Northwest!

Our summer weather this year has been so warm for us that we were melting! Our August trip was again in Eastern Washington near the Bavarian Town of Leavenworth. The Weather was hot, the company was great, and the food was awesome! Thursday night dinner was Pizza at the Headwaters Bar and Grill. Great Pizza, fried pickles and friends that live nearby joined us. Friday night we enjoyed chicken and pineapple kabobs for dinner, instead of the usual hot dogs. This to go along with our Hawaiian Theme.

Saturday morning, after a hardy Brunch, we traveled together into the town of Leavenworth. This is a Bavarian-styled village in Central Washington that has many Alpine style buildings, plenty of German beer and food and loads of shopping. While we decorated for our Hawaiian theme, we did not have a theme winner this time. We enjoyed our dinner and meeting then spent some time socializing and enjoying the company. The weather was so hot, we decided this should **not** be a location for camping in the summer months.

Well, now that fall is rapidly approaching in the Pacific Northwest our campouts are winding down. Fall traditionally is very unpredictable here as we can go from 70 degree and sunny to 50 and pouring with rain within the span of an hour. This however does not stop us from camping. In the PNW we plan for whatever Mother Nature throws at us. It's called "Blue Tarp" camping. We have as a group learned that Pop-Up canopies can be very warm and dry too. We have anywhere from 2- 4 large canopies which can be put together nicely with portable heaters inside that keep us warm, toasty and dry.

In September we trekked off to the Pacific Ocean and stayed in a nice campground called Oceania. This trip turned into a pretty wet adventure, but it didn't stop us from socializing and eating! Since this campground has opened their clubhouse, the ladies were able to gather and work on sewing and craft projects while our men huddled together and watched movies. Not sure how much of the movies they saw, think there was some checking of the inside of their eyelids.

October took us to Monroe, north and east of Seattle. This campground is nice and level and right along the Skykomish River with mountain views. Again, we were forced to use our canopies since we had on and off unpredictable rain. This campout was our Halloween themed meetup. We decorated our rigs and the dining tables and the canopies with Halloween items. The ladies will understand our love for the Dollar Store. It is fun to see how different and creative everyone is. The Downing's won the prize of 3 different sized, handmade, pumpkins for their efforts. Being in the traditional Masonic meetings we had meals from breakfast, to snacks for happy hour and dinner and dessert. Masons are the best cooks, and everyone pitches in helps. No fine China or crystal on these trips.

This will be our last trip for the season, but we will be looking forward to our lunch meeting in November, January, February, and March. These will be business meeting with lots of great friendship, especially with members who no longer have rigs but still enjoy the group. We hold these in restaurants of the "hosts" choice and usually have a theme also.

Several of us will continue thru these months to camp as the "unofficial NCT" campouts and of course as always, we welcome everyone to join us. Sometimes if we are in an area where people live, they will come for a potluck on Saturday night. This is the time when the "comfort foods" come out, great chili, soups, tasty casseroles, and of course biscuits and cornbread. We had an "unofficial campout" or no meeting campout in

Chehalis, Washington, over the Halloween weekend and had a great time! We had family join us for dinner as well as some members join us for dinner Saturday!

NCT #38 in the Pacific Northwest would love to have any other NTC members join us if you come West. We may have webbed feet, but we are really alive and well! Make sure to contact our Master of Travel or Wagon Master if you have any questions or want information.

Happy Trails and we all hope you have a fantastic holiday season!

Hello NCT'ers,
The Rally in New York was amazing! The YNCT hosted a successful car wash and traveling taco lunch! We enjoyed a day of fun at the Enchanted Forest Water Safari in Old Forge, NY. Amazing town and beautiful Adirondack Mountain view. As the newly elected YNCT President, I challenge everyone to bring children to the 57th NCT Rally in Lebanon Tennessee. We need more youth! The last several rallies have low numbers! We need more kids! Lasting friendships are formed, memories made and it is just a great time! I would like to personally thank everyone for their support this year. We had a great time. The energy and excitement made this year's rally a special time for all of us!
