

WV Pioneer Travelers #200

December News To Campers

Our last campout of the season was at Riffle Run Campground in Burnsville, WV. We had 4 units camping. Kay was waiting delivery of her new rig and Shane's RV had bad batteries and wouldn't start. The weather cooperated for this campout and it was very nice having no rain. We played a few games of cornhole. Owen and Mike were the big winners of the 'play-off'. We enjoyed an 'impromptu' covered dish dinner. As we have scaled back all our dinners since Covid-19. Sure do hope next year's camping season will be "back to normal".

Our active club membership is down. We lost four families for 'non-payment' of dues this year. Our club continues to promote NCT whenever the opportunity avails itself, but the efforts have failed yet to add new members.

We will be heading South in just a few days and hope to see fellow NCTers at the winter gatherings at Homer's in Sebring or the Golden Corral in Lakeland. That is if we are going to have the gatherings, haven't heard anything yet.

For now, wishing all a very Merry Christmas and Happy New Year from West Virginia Pioneer Travelers #200.

Janet Aylestock, Secretary
