57th NCT NORTH AMERICAN RALLY

James E Ward Center, Lebanon, Tennessee

July 17-22, 2022

NATIONAL PRESIDENT David Brigham

NCTers, happy new year and happy Springtime. I hope everyone has a safe winter and all are well.

It is March and that brings the nomination of next years officers for the National board. Please, when you get your election form fill it out and send it into the National office. Your vote only counts if you cast it!

For those of you who wintered in Florida, our mid-winter luncheon is a little bit later this year, it's on March 22 in Zephyrhills, Florida, at the Golden Corral. We eat at noon. If you need directions, please contact me and I will get them to you.

I hope you all have been talking to your friends and fellow campers about NCT. We can not grow as an organization without new members.

Did you know that the National Rally in Lebanon, TN, is just four months away? Let's get our camping reservations into the Rally office. I look forward to seeing everyone there.

David and Mary Brigham

NATIONAL FIRST Les Hall

Greetings from your 1st National Vice-President.

And, for us, it just keeps on keeping on!

For those of you who do not know, Joy tripped and fell back on January 4th and broke her arm. But the girl doesn't do anything half-hearted. She broke the top of the upper bone off in the shoulder joint and had to have a total shoulder replacement. She is recovering very well and with lots of physical therapy, she should be back to normal in 4 to 6 months.

As Spring approaches, many are getting prepared to clean up that RV and get ready to hit the road again.

Bob Smoyer, District 4 Director, wanted me to mention again that we are planning a District 4 Friendship Rally on March 31 – April 3, 2022. We look forward to seeing many of you at the rally and enjoying the Bluegrass and Gospel Music at Twin Oaks RV Park in Hoboken, GA.

Let's all continue to support our Local Chapters and camp whenever you can.

We hope this issue of News to Campers finds you healthy, doing well, and getting ready for a Spring and Summer of Camping and Fellowship with all of your NCT friends.

Les & Joy Hall, 1st Vice President.

NATIONAL SECOND VICE PRESIDENT - Jim Jackson

Hello to fellow NCT members. The camping season is getting warmed up for the northern states and Canada I hope. This border closing has slowed down some campers.

As we go camping this year remember to invite someone you know Mason or not to camp with us. I know that from personal experience that not only can we get new friends of NCT but we can get new Masons. The Fraternities are the basis of the NCT. We need new camping members. Remember to also fly the Masonic flag. Don't have a flag to put in front of camper. Of course Amazon sells them. Don't forget the ones that have a tent or pop-up camper. Most of us started with a tent many years ago.

Enjoy the summer campouts, Pat and I plan to see you in July for the International Rally in TN.

Jim

NATIONAL SECRETARY/TREASURER — Dave Fant

Greetings to all NCT'ers who are getting ready to fire up your rigs to go camping after a couple of years of fighting the past home pound days. It is about time for all of us to get out and enjoy the out of doors.

I hope that everyone is ready for the National Rally that Joe Williams and his team have set up for us to enjoy. I look forward to seeing many of you that we were unable to see in the past year.

The weather has been a real challenge to try and predict this winter, Zero one day and then in the 70's the next—really pneumonia days—but soon it will be over and we can look forward to enjoy camping again.

While we are looking forward to the blessings we have, we cannot help but keep the Ukraine People who have been so totally devastated by the invaders. I see the news and look at the massive destruction that their home country has taken. The demolition of Apartments and possessions is heart breaking. They have nothing to go home to. I pray that each of us remembers them each day in prayers for all of the individuals - families, children, men and mothers trying to maintain their homelands for the end of this holocaust. May God be with them all.

David, Pam and Alex too

News to Campers

You will note that this issue is different from past issues. This is not by accident. It is different for a reason. There are a couple of blank pages that are missing and cover the information and the registration for the National Rally. These pages are included in the mailing that have your Ballot mailing which is in the mail now. We continue to review ways of reducing the cost of preparing the News to Campers. Suggestions from members received are still encouraged to make it a better new letter. This different issue is one trial. Other options are to combine the December and March issue, Perhaps send more via Email or use the Website as a better ways of getting information out. As seen in this issue very little chapter articles are included in this issue. Perhaps more frequently, have the articles and photos need to be moved into af E-Blast. Perhaps it means to increase the dues to cover the cost. The Board is interested in your thoughts and ideas. Send your thoughts to the National Office via Email (use **dfant19508@aol.com**) and I will forward your ideas to the Board and include them in the June Issue as well.

Welcome New Members!!!!!!!

A lot of fun is to be had by all! Get ready to have loads of fun,
lots of fellowship and lifelong friends !

National Rally July 17-22

Lebanon, Tennessee

It is getting closer to rally time in Tennessee, For those who have not sent their rally forms in remember the price increases after March 31, We know fuel has gone up a lot , but lets not let that distract from the fun and fellowship we have at our yearly rally where we met old friends and make knew ones. AS a rule fuel in Lebanon has the lowest fuel prices in Middle Tennessee. Come on down or up and enjoy the good times and fellowship with brothers and sisters for a summer vacation and fuel up before leaving. The Middle Tennessee travelers are waiting to show you a good time.

Looking forward to seeing you in Lebanon!

Joe Williams, Rally Chairman

Deadline for Articles for June News to Campers: May 1st, 2022

The June Newsletter comes during a time when the National Office is extremely busy preparing materials for the National Rally, Membership Renewals for Members At Large and filling requests from Chapters for materials

Your help in getting articles submitted on time is greatly appreciated.

Mass One Ch 9 Social 1/9/22

In the picture above George is delivering our toy drive's gifts to a teacher of Elementary/Middle school students, and beside that is the teacher of the children these were delivered to in New Hampshire. MOT, George & Theresa Leduc welcomed all to our Zoom at 7 P.M. Those who joined in on the Zoom were Jack (Trustee, PNP) & Pat Mulhall, Dave (Wagon Master) & Pam Fant, Ken (Treas.) & Donna (Sec.) Howard, Bob (PMOT) & Marianne Coates – by phone (had difficulty with video), Bob (PMOT) & Mary Ann Titterington, and Diana Hatch (Vest Maker). George talked about the overwhelmingly appreciative reaction of the children, Social Workers, and teachers who received our gifts, and told us that they are very needy, and minimally mentioned or assisted by the community. In further discussion by our group, it was decided that we will invite these children, Social workers and Teachers to share in our District Rally, May13-15, at Travelers Woods. Possible activities with them might include a cook-out, field games, crafts, and playground activities. It was also suggested that we contribute the wrappings for the gift(s) we each donate, and include a photo of the gift(s) to be placed on it when wrapped by the Social Workers and Teachers. Maybe we can plan to make birthday cards, or collect school supplies as a carry-over event. This is in the planning stages and suggestions are welcome. We are all doing this together as one method of committing to help others this year.

Also of concern, George shared his thoughts on recruiting new members to NCT. He expressed thoughts of sharing information. Maybe we could have a seminar (or 2) at a camp-out and invite the other RV owners in to glean the information shared by the speakers, i.e.: an RV repairman who would answer questions and give instruction about specific problem areas and issues. Another thought was that we should always wear our new Mass One Chapter shirts at outings and public events while we are camping, People are curious and will ask about the shirts. This leads... Well, you know “the rest of the story”. Jack also offered to get more information about Chapter 9 Jackets for those who may be interested.

George wanted to throw out this thought: How about making each camp-out a Theme Weekend? It can be a funny, a holiday based, or a made up theme. He would like to try it. **Who will be the first to set a theme???**
