58th National Rally in Elkhart, Indiana

NATIONAL PRESIDENT — Les Hall

Greetings from your President.

I hope this message finds you healthy and beginning to thaw-out for a great camping season.

Your Board of Directors has been very busy over the past few months. We have met quarterly and had a few called meetings in between the quarterly meetings.

Because of our declining number of members nationwide, A proposal was made to re-organize NCT and allow members that were not members of the Masonic Fraternity. After much discussion, it was voted Not to take any action on this proposal at this time.

We are in dire need of your participation on the National Level. At the present time, we do not have any nominations for the National Offices of 2nd National Vice-President nor 3rd National Vice-President. And we do not have a nomination for the Office of National Treasurer.

At our National Rally in July, in Elkhart, IN, it will fall on the new president, Jim Jackson, and the Board of Directors how to fill those vacancies.

We look forward to seeing you at the 58th NCT National Rally in Elkhart, IN on July 16-20.2023.

Let's all continue to support our Local Chapters and camp whenever you can.

We hope this issue of News to Campers finds you healthy, doing well, and getting ready for a Spring and Summer of Camping and Fellowship with all of your NCT friends.

Les & Joy Hall, President.

NATIONAL First Vice PRESIDENT Jim Jackson

Brother and Sister NCT'ers.

Here comes the March issue of NTC's. This is a very important issue because it's the Ballot issue and may be the last issue. We have not been able to find people to run for the open offices. We do have one member that is on the ballot for Secretary as it stands now on Feb. 6th as I type that is the only one. The next issue is we do not have enough dues paying members left to keep the National Office going. The gentleman that is running said he will do for no cost but we still have expenses like the Ballot issue. That will cost several hundred dollars just for that mailing.

I'm sorry to have to say this but I think the time to dissolve the club has come. Pat and I have been members off and on since 1978 and I really hate to say that.

If I have a National Campout in 2024 the theme will let's go back to camping. This club was started by some brothers sitting around a campfire. That will happen if Tracy Knox (Rally chairman) and myself have a National Campout in Harrisville PA. Notice I said campout. Not a Rally to come to and be entertained. Back to basics, you don't have to stay in a tent.

Please whatever happens at the National Level keep our local chapters open so we can still enjoy the fellowship we have camping as Masonic Campers.

Jim Jackson 9505

News from Cliff Fromm NATIONAL Second Vice PRESIDENT

Hello from sunny Florida. Ann & I have been enjoying the warm weather down south. I hope everyone is having a good 2023 so far. It was good to see everyone that attended the Mid-Winter Luncheon at Zephyrhills.

The new camping season is right around the corner. Please submit your camping schedules to the NCT Office, if you have not already done so. Please support President Les with his plans for a great rally in Elkhart Indiana in July. I look forward to seeing all of you there.

Safe Travels,
Cliff Fromm, Second Vice President

Get Ready **NOW** for the 2023 National Rally in July

Our National Rally “RV There Yet?” and Annual Meeting of National Traveling Campers is coming up July 17 – 22, 2023, in Elkhart, Indiana, and NOW is not too early to start your planning! Here are some things you should be working on NOW:

1. Send in your registration NOW. This will help the Rally Committee make plans and arrangements for our 5 days in Elkhart. You can always make changes in your registration right up to the last minute if your plans change, even cancel (with a refund) if you have to.
2. If your RV needs servicing, this is the place to get the work done. Whether you want to visit one of the many manufacturers’ service centers or just go to Lazy-Days next to our campground, you need to make an appointment NOW as they are all very busy in the summer months.
3. Talk to your Chapter about caravanning together to the Rally. Plan a route that will take you to some interesting places on your way to or from Elkhart. Doing this as a group will give you interesting stories and memories that you will be sharing around the campfire for many years.
4. Start making plans NOW with your Chapter and District for participation in the Theme Parade “On The Road Again?”. This is a fun event to see the creativity in clothing and skits that our members come up with to impress the Judges.
5. If you have a pet, you need to start preparing a sign or an outfit or a trick that your can perform for the theme “On The Road Again”. (Practicing just a walk around while leaping at the on-lookers is always good.) Your cat, dog, gold fish or whatever, they are invited to join the show.
6. Check out the Elkhart website www.visitelkhartcounty.com for places to go and things to do while you are in the area. There will be lots of info for these things in your goodie bag when you arrive, but it is always fun to have some things in mind that you can be looking forward to when you get there.
7. Most of all, you need to start planning to have fun and gather with our Brothers and Sisters and friends to enjoy the fellowship of Masonry in Elkhart, Indiana, the RV Mecca of the World. Hope to see you there. (Don’t forget the floral and barn quilt trails)

Please call if you have any questions or if I can be of any assistance to you.

• November 2022 Christmas Party was held at Carmela's Restaurant in Hartford, NY . ,
Attending Alexander's, Fitzgerald's, P Ives, R Morse and guest and A. Peterson..

The staff at Carmella's was wonderful for us and helped make it a fun afternoon, including two for one cocktails.

Thanks to Iccy and Dorothy for favors and table decorations.

Members made a donation to the Utica Rescue Mission in place of bringing gifts.

We received a nice thank you note from them. Thank you to Ray Morse for researching and handling this for us. Christmas cards were exchanged.

Bill Fitzgerald furnished the camping schedule for 2023. It was passed out to members and voted on. This included a proposal for a district rally at Scenic Valley by The Finger Lakes Chapter. Our reservations have been made at Scenic Valley. Anyone else wishing to attend should call the campground now to assure they can get in.

Merry Christmas and Season Greeting for 2023 to all.

David Fant *National Secretary/Treasurer*

Now the Spring and Camping Time begins

Now the time has to come to write a letter to all of the members of NCT.!

My Lovely Bride Pam and I joined National Camping Travelers in the spring of 2001, twenty two years ago this month. Attending over 30 years of winter camping in Florida and the Many National Rallies across this wonderful Country has given us the opportunity to meet many Brothers and Sisters. We have enjoyed the many friends we have met and made as we have camped through the years. We remember and miss the many Brothers and Sisters who have passed on.

In 2013 I was installed at the Talladega National Rally as the NCT Secretary/Treasurer. The many different requirements were rewarding and very time consuming. I have had the chance to meet many members and Secretaries of the different chapters and enjoyed their Chapters ..All have been courteous and have asked questions and given points of help. We had good times and also had a few items where we disagreed. All have been points to help me over the past 10 years.

The past year has been a difficult time for Pam and I. As with many of you, our ages have presented new challenges. It gives us new and different opportunities as we travel along this journey called aging.

NCT faces a challenge in the next few years as fewer new members are coming on board and current members are not willing or able to step into leadership roles. Only one member has agreed to run for a New Type of Office, position ONLY as the National Secretary. It is critical as the position and the responsibilities of over 30 items that I carried over 10 years is intensive. Personally I have studied and reflected for many months searching for an answer to fill this problem with no answer.

I have talked with others to work out an answer. Consequently I have decided to No longer continue as National Secretary/Treasurer. My wife and I are in agreement that I can no longer continue to maintain the stress that has taken my health.

I will continue my enjoyment of working with the NCT and enjoy visiting, both in person and maintaining discussion with the many wonderful friends I have met. I will hope that our phone calls and E-Mails from all of you will allow us to enjoy the life and time we have remaining.

I love each and every one of you.

God Bless you !
Dave Fant
