## 61ST INTERNATIONAL RALLY, NATIONAL CAMPING TRAVELERS

*“Making Memories Together” ~ July 19 to 24, 2026,  
Mineral Springs Campground, Stafford Springs, CT*

### National President - Dennis Morgan

*Dennis and Madolyn (Lyn) Morgan*

Hello to all of you, our NCT members!

As this is my last article as your National President, I thank those who have supported me during the past year and also the years serving in the Vice President offices.

It appears that NCT members have a busy camping season based on the chapter camping schedules I have seen. Thanks for working together to keep this organization active.

The National Rally is fast approaching, and we hope you have your registration form ready to mail if you haven't already. The forms, information, and tentative schedule are available in this issue of News To Campers.

We will surely miss you if you are unable to attend. This is a great event to meet up with NCT members you

may not have seen in a while. If you are attending, **please remember to bring an unwrapped toy to help CT1, Ch 6 with their annual toy drive for Saint Mary's Hospital, Pediatric Trauma Unit.** These donations will be greatly appreciated!

Rally shirts and NCT hats are available and can be ordered through the forms in this newsletter. The forms will also be sent through an email blast.

I thank the newly elected officers for stepping up to the plate, and the current and future appointed officers who have willingly taken their time and efforts to serve our NCT.

Looking forward to seeing many of you in Connecticut!

May God bless us all and watch over us as we travel,

*Dennis Morgan*

*National President*

## National First Vice President - Keith Manbeck

*Keith and Carrie Manbeck*

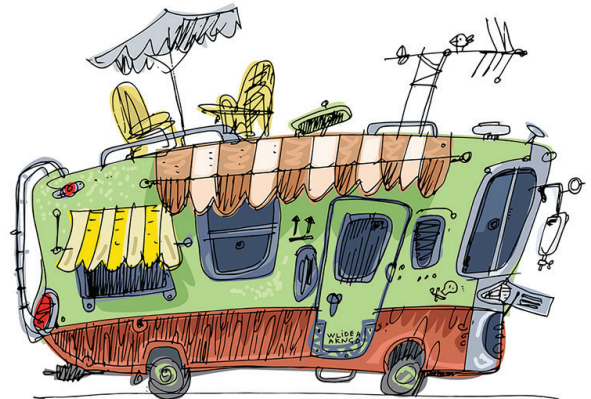

Camping season for those of us in the northern states is finally here! As I sit down to write this article, West Central Ohio #92 has just had its first outing of the year. It is always great to get together with our Masonic camping family to share time around the campfire as well as meals together. Fellowship and Fraternity go hand in hand. That extra bond we all share, being members of the greatest and oldest fraternity in the world, is one that I treasure.

As we approach our National Meeting July 18-24 in Stafford Springs, Connecticut, I believe we need to

start having some difficult discussions concerning the future of our organization at a national level. Our membership continues to shrink, and the number of chapters that are actively camping continues to decrease as well. Another challenge that we as an organization have faced in the past 4 years is that we have not been able to fill all of our national offices due to a lack of members interested in volunteering to help. I am thankful for our Past National Presidents for filling the Trustee offices. If you would be interested in serving as a Trustee or 2nd Vice President, please let me know.

Carrie and I look forward to seeing everyone in Stafford Springs.

*Keith and Carrie Manbeck*

## Sickness and Distress

If you are going to have heart issues, do it as a “two-fer!” **Pat Kalinauskas** was diagnosed and sent to the hospital with a heart attack on March 10. She spent 2-1/2 weeks on the coronary unit. **Vin Kalinauskas** was sent to the ED on April 2 with AFib. He spent 2 weeks in the coronary unit and had a pacemaker installed. They are members of CT 1 Chapter 6.

**Ken Howard** (Mass One Chapter 9) ended up in the hospital with excessive fluid in his lungs and is also dealing with blood pressure issues. He is currently in rehab. Please keep Brother Ken in your prayers as he recovers.

## National Second Vice President - Chris Egburtson

*Chris and Hilary Egburtson*

Good day, fellow campers, and happy camping season! I'm sure most of you are getting ready, if you haven't already started, to venture out into the camping world. We just had our first campout for the season, only five rigs, but it was a lot of fun, except perhaps for the leak we found after it rained and soaked the mattress! Ahhh, the joys of camping!

I hope you are all enjoying your camping groups and inviting new people to share in the fun. We have three potential new members we are working to sign up, and as you all know, Hilary's on the case, recruiting new members every day at Masonic and non-Masonic events.

For those of you looking to join Finger Lakes Traveler and the OOO's at our District 11 Camping Rally later this summer, we had a last-minute change of venue due to pricing increases. We've already gotten three registration forms, and we have several slots available. Please get your registration forms in as soon as you are able. We will be at the same campground as last year's rally in Boonville, New York. Hope to see you all there. The registration form is attached, but we will have registration forms available at the national rally, which I hope most of you will be attending. We are looking forward to seeing everybody since we missed you all last year.

Best wishes to you all in a very successful and safe camping season, and we will see you this summer in Connecticut.

Chris Egburtson  
2nd National Vice President

Secretaries - MOTs - Send your camping schedules for publication.

National Secretary -  
Jim Jackson, PNP

*Harold (Jim) and Pat Jackson*

Hello to all Brothers and Sisters of NCT

We just returned from the first campout of the Summer at the same place, where I had my National Rally. Only this time it was cold with some rain. We went to a local fire hall for Mother's Day chicken BBQ.

I would like to thank everyone who took the time and expense to send in the Ballots. I received 30 as of today. We will be counting them this coming weekend.

Now, to address a very large problem that we have with NCT. We are declining in numbers badly. I know we have tried to address this problem for many years. I do not know how much longer NCT can exist. We may just end up as local chapters and no National officers or office. If anyone has ideas or suggestions, please contact a member of the board. Our officers need all the information and help you can give them.

**2026 OFFICIAL BALLOT RESULTS**

First of all, I want to thank everyone for taking the time to vote.

I forgot to include the State on the ballot, so I used the postmarks for the States. I was also informed that several people were in FL, so FL got more than they should have. LOL

NY 10, MA 3, MI 2, RI 1, CARO?? 1, FL 5, PA 5, CT 2, OH 1, TN 1= 31. That is 20 more than last year.

The results were as follows: **Cliff Fromm for Treasure – Yes, Dennis Walker for Trustee – Yes, Art Spencer for Trustee - Yes**

I have saved all the envelopes and ballots and will have them at the National Rally.

Again, I thank all who took the time and paid the postage to send in their ballots.

Please have a great summer camping season. May all your trips be worry-free. Take the time to enjoy nature as we camp or just drive in for a day at the campout.

Greetings Campers,

Spring is finally here, and it's time to get on the road again. I hope everyone is doing well. Get your maps out and find your way to Connecticut for the National Rally. God has a map for us that leads us every day. It's not on paper or the internet, but if you believe in him, he will show you the way. Sometimes we pay no attention to the map and get lost in our daily lives. Trust the Lord, and the way will be easy.
